1. Scope

This guidance is applicable to all those involved with educational visits for pupils in the Summer School, excluding EYFS children.

2. Objectives

- To ensure that visits are well planned and significant risks are identified and managed.
- That there are contingency plans in place for changes in circumstances during a visit that are reasonably foreseeable.
- That those in charge of visits have the necessary competence to manage situations appropriately.

3. Guidance

Learning outside the classroom environment is an essential part of our curriculum. Trips and visits include the following (non-exhaustive list):

- Day and half-day trips to historic sites, museums, galleries, natural features, farms, drama productions
- Off-site adventure activities, e.g. canoeing, climbing, trekking, horse riding, sailing

The Summer School website will list the trips and visits that are due to take place over the coming summer programme.

Parents are expected to support the Summer School in ensuring that pupils follow instructions given by those in charge of the trip. The Group Leader in charge of the trip has the full authority of the Bursar and the right to sanction any pupil who declines to follow reasonable instructions (e.g. reducing shopping time for that student). Extra costs arising out of any such event will be payable by the parent.

The Course Director will:

- direct the Group Leader leading the trip to the appropriate person for assistance
- direct the Group Leader to the detailed Guidance Notes at Appendix 1 and seek evidence that all procedures have been completed
- keep records of visits, including details of accidents and incidents
- provide detailed risk assessments of all planned trips and activities and guide the Group Leader to conduct real-time adjustment to risk assessments in line with changing circumstances or emergencies (see 'Risk Assessments' section below)

Every planned trip or tour will have a nominated Group Leader (GL) who is responsible for leading the trip. A deputy Group Leader may also be nominated.

The School's Safeguarding Policy and procedures, including any procedures for vetting, DBS checking and assessing the suitability of staff and volunteers will apply at all times during trips, tours or visits.

Where a School minibus is used, the driver must have the appropriate qualifications.

Personal Liability

The Group Leader acts "in loco parentis". This means that they "have a duty under common law to take care of pupils in the same way that a prudent parent would do". However in some circumstances such as where the Group Leader or another member of staff specialises in a particular activity or leads more hazardous or adventure activities there may be a higher duty of care.

The School as employer of the Group Leader will support them in the unlikely event of an accident occurring provided they have exercised reasonable care and followed School guidelines.

Insurance

The School has Employers' Liability Insurance of £20m and Public Liability Insurance of £20m. It also has a group travel policy that covers most visits in the UK and overseas, including adventurous/hazardous activities.

The Group Leader should check with the Deputy Bursar when planning trips relating to hazardous/adventurous activities for the applicability of insurance and arrange for an extension where required.

The Group Leader should ensure that they have a copy of the School travel insurance with them on the trip, which can be obtained from the Bursary Secretary.

Travel involving staff using their own cars is discouraged. Where this is permitted, however, cover is provided through the School's "occasional business use" motor policy, providing the vehicle is legally roadworthy.

Planning a trip

Before the course, the Course Director should have:

- discussed key elements of the visit, including purpose, location, transport, accommodation, activities, itinerary, number and age of participants
- researched and engaged a tour organising specialist if appropriate (e.g. sports tour) and received their own risk assessments, insurance details etc.
- calculated to the staff to pupil ratio
- prepared a draft itinerary
- decided the mode(s) of transport for the whole journey
- prepared a costing for the visit, remembering to allow a contingency for delays and emergencies (see Appendix 4)
- if an adventurous activity is involved, checked that the provider is licensed and individual instructors possess a recognised qualification (such as the Adventure Activities Licensing Authority)
- obtained relevant details from the intended Centre regarding acceptance of responsibility and copies of risk assessments before committing to the visit
- prepared an ISS risk assessment
- assigned members of staff, remembering:
 - a. male/female ratios where necessary
 - b. language skills
 - c. medical assistance
 - d. nature of activities
- undertaken a reconnaissance visit to the location if the School has not visited it before, or a reference from another school where this is not possible
- established the minimum and maximum numbers for the visit to be viable
- established any age/height restrictions and medical requirements
- established the cost of any deposits required both for travel and the activity provider and calculate the deposit required from participants

Staff-pupil ratios

These should be decided on the basis of risk assessment, taking into account the activity to be undertaken, and the age and maturity of the pupils. As a guide, the following minimum ratios should be met:

- **1:10 for aged 8-11**
- **1:15 for ages 12 and 13**
- **1:20 for aged 14+**

Where Summer School groups are mixed ages, the Course Director will strive for a general ratio of 1:10 on all trips and activities.

Risk Assessment

The Operations Director should assess for the trip for:

- potential hazards of the location being visited
- the groups of people that are at risk from significant hazards
- control measures that are in place
- hazards which may not yet be fully understood due to lack of information
- monitoring hazards during the visit
- identifying alternative activities should the risks of the initially planned activity become too great, and risk assess the alternative

The Group Leader should ask for copies of risk assessments from professionally operated licensed activity centres and tour operators, where appropriate. These will form part of the overall Summer School risk assessment.

Risk assessments from previous visits can be used as a starting point for a revised assessment, but they must never be adopted without checking for changes which may have occurred.

Risk assessments must be shared with all supervising staff on a trip or tour, and they must all be fully aware of the content of the risk assessment.

The Group Leader should dynamically assess the risks on the ground during the trip or tour and take appropriate action to mitigate risks.

The Senior School maintains a dossier of generic risk assessments relating to sports activities, regular school visits and theatre/museum visits, etc. This can be accessed for Summer School staff members by the Course Director.

Procedure

Day prior to departure/day of departure:

- Collect tickets, currency, etc from the safe
- Give trip information packs to nominated persons (hold an excursion meeting)
- Give each pupil the names, addresses and phone numbers of their accommodation, if residential
- Remind pupils about expected standards of behaviour and sanctions if not followed
- Collect travelling first aid kit (check contents)
- Organise student ID badges into class groups and replace any that are missing
- Check that any catering provisions have been ordered and are in progress

During the visit or activity:

Primary responsibility for the safe conduct of the visit rests with the Group Leader. They have sole responsibility for amending the itinerary in the event of unforeseen delay or sudden deterioration in weather conditions. They will liaise with the tour organiser/destination staff regarding changed arrival times. They may delegate part or all of the responsibility for the following to one or more of the accompanying staff:

- Carrying out a headcount on getting on and off each form of transport, entering or leaving a museum, restaurant, activity centre, hotel etc
- Checking that all pupils wear their seat belts
- Checking the fire exits and escape routes at each location. Ensuring that every pupil walks through the emergency escape route at each hotel if residential
- Ensuring that sleeping accommodation is suitable and located together (preferably not on the ground floor)
- Setting times for pupils to be in their rooms at night. Conducting checks (using the other staff)
- Asking all pupils to write their mobile numbers on a sheet of paper (on departure from school). Give all pupils the number of a member of staff's mobile if they are going to be allowed out in small, unsupervised groups (seniors only).
- Setting agreed times and locations for checking pupils if they are allowed out unsupervised in small groups (seniors only)
- Enforcing expected standards of behaviour
- Looking after (or reminding pupils to look after) passports and valuables
- Storing cash and tickets in the hotel safe
- Keeping an account of all expenditure (keeping receipts)
- Recording all accidents and near misses

Illness or minor accidents

If a pupil has a minor accident or becomes ill, the Group Leader, or another member of staff, will take him/her to the local hospital or clinic and provide medical staff with the pupils' medical information. The Group Leader will phone the pupil's parents if their child has suffered an accident or injury that is serious enough to require medical treatment - as opposed to minor cuts and bruises.

Emergency procedures

In the event of a serious accident resulting in the death or injury of one or more of the pupils and staff, the Group Leader's first priority is to summon the emergency services and to arrange for medical attention for the injured party. One of the accompanying members of staff should accompany the injured pupil(s) to hospital.

After ensuring that the rest of the group are safe and looked after, the Group Leader will:

- inform the Course Director or on-call member of the SLT of what happened
- where the full facts have not yet emerged, they should say so and ensure that follow-up communications with the Course Director are maintained
- arrange for the School's insurers to be contacted as quickly as possible (usually by the Course Director)
- a full record should be kept of the incident, the injuries and of the actions taken.

Where appropriate the School Major Incident Plan will be implemented.

Where possible, communication with the media should be left to the Course Director. The Group Leader will refer the media to the Summer School. If comment is unavoidable, it should be factual, calm and no attempt should be made to cover gaps in knowledge. Pupils should be discouraged from talking to the media.

Delayed return

If the return from a visit is delayed, the Group Leader will phone the Summer School office, or on-call member of the SLT (out of office hours). Social media may also be used to alert parents to the delay and the revised time of arrival.

On Return

- The GL will provide the Course Director with a brief report on the visit.
- The GL will return all School property (together with a report of any lost or damaged property).
- The GL will instruct all pupils to delete their records of any staff mobiles.
- The GL will remind all staff to delete any records of pupils' mobile numbers that they may have acquired during the visit
- The GL will return any unused cash to the Bursary, with a summary of expenditure accompanied by all related transaction vouchers/receipts.

Appendix 1 – Further Guidance for Group Leaders

The Group Leader is responsible for:

Undertaking a risk-benefit analysis in relation to a proposed trip or tour;
making all necessary preparations and risk assessments, with a view to ensuring the safety and welfare of pupils;
maintaining discipline and good order at all times;
delegation to responsible adults when groups are split;
ensuring that the good name of the School is upheld.

Group Leader's Checklist

The Group Leader must take:

all documents covering booking, travel arrangements and accommodation;
receipts for payments;
a credit or debit card, or means to access emergency funds;
full insurance details and documents;
a detailed itinerary;
a full list of the party members;
details of weather forecasts where appropriate;
the consent forms, including medical consent which may need to be produced at a hospital;
details of emergency contacts and contacts for first aid;
an appropriate first aid kit;
passport documents (where appropriate);
one, and preferably two, mobile telephones with charger(s).
A copy of all relevant information should be retained at the School Office.

First Aid and Skin Care

The first aid kit must include:

antiseptic wipes;
medical preparation for cleaning wounds;
sterile dressing (adhesive) of various sizes;
surgical tape;
triangular bandage and supply of safety pins;
plastic gloves;
a brief guide and notes on first-aid.
Care must be taken to ensure that pupils are adequately covered or take shelter in hot conditions.

Reconnoitre

Areas or activities involving significant hazard should have been reconnoitred if at all possible; alternatively reliable information should be obtained concerning the nature of any

hazards and means of avoiding or minimising risk. The risk assessment should be updated as necessary following the reconnaissance.

Briefing Other Staff

The Group Leader is responsible for ensuring that other staff, supervisors, helpers and (if applicable) host parents know the travel arrangements, the types of activity permitted, the emergency contacts, the special needs of individual pupils and the arrangements for welfare.

Appropriate Clothing and Equipment

Pupils should wear School uniform or kit unless permission has been given for other clothing.

Pupils (and parents) must be told to bring clothing that is appropriate to all anticipated temperature and weather conditions, and cultural situations.

Specialist equipment must be identified separately from clothing.

Clear instructions on whether or not pupils will be allowed to carry mobile phones should be provided to parents and pupils in advance of the visit.

Medication and Pocket Money

The Group Leader must appoint one staff member to be responsible for medication. This includes the needs of pupils who self-medicate.

The Group Leader must appoint one staff member to hold and account for pocket money if he or she does not handle these matters himself.

Mobile Telephones and Pupils' Property

Mobile telephones can be very useful in emergencies. However, there are reasons why their use by pupils should be restricted on trips and tours, for example:

mobile telephones can act as distractions, preventing pupils from making full use of the educational opportunities offered by the visit;

carrying such phones can expose pupils to the risk of mugging and street violence;

loss or theft of telephones can involve the Group Leader in time consuming reporting procedures;

homesickness may be made worse by frequent use of mobile telephones.

For each visit, the Group Leader will formulate a clear policy on the use of mobile telephones which will be circulated to parents and pupils well in advance of the visit. Such a policy may vary depending on the type of visit.

The Group Leader and at least one other member of staff will carry a fully charged mobile telephone at all times and will ensure that an emergency contact at the School has the relevant numbers.

Similar rules will apply to all items of personal property including for example, cameras. Parents are requested not to send pupils on trips and tours carrying expensive equipment

that may attract thieves or be lost or broken. In any event, pupils will be responsible for all items of personal property taken on the trip or tour.

Emergency Contact

The Group Leader must arrange a point of emergency contact.

The Group Leader must have the name, address, telephone and email address of "home" for each pupil both in the UK and in any other country visited and must supply details to all members of staff on the trip or tour, host parent (if applicable) and the School.

Fire Drill

For each establishment in which there is an overnight stay, the procedures and drills to be carried out in the event of a fire must be explained to every pupil by a designated person.

This should include escape routes, alarm points, assembly points, etc.

Ensuring Good Conduct

The Group Leader has the full authority of the Headmaster.

The Group Leader has the right to return any pupil home if, after consideration of all relevant matters, they are of the opinion that such action is warranted. Extra costs arising out of any such event will be payable by the parent(s) of the pupil(s) involved.

Educational Visits Outside the UK

Care should be taken over selection of the supplier of transport and accommodation and only firms with ABTA membership should be used.

The Group Leader will ensure that each pupil has their passport and necessary visas and other travel documents before embarking on a tour outside the UK.

If possible one of the staff members should be able to speak and read the language of the country visited, or at the very least be able to hold a basic conversation and know what to say in an emergency.

It is advisable for pupils to carry a note in the relevant foreign language in case they get lost asking the reader to reunite them with the group and/or take them to the police station.

They should also carry the Group Leader's name and contact number. The Group Leader must ensure that each pupil knows:

that s/he may not bring into or take out of the United Kingdom: animals, insects, vegetable matter, flick knives, real or imitation firearms or other prohibited items;

all similar rules that apply on arrival in and leaving any country being visited;

that children under 17 are not entitled to duty free allowances;

that any pupil bitten by an animal must seek medical treatment immediately.

Each pupil attending a visit in another EU member state must have a European Health Insurance Card (EHIC). This can be applied for on-line, by telephone or by post and is obtainable free of charge. See www.ehic.org.uk.
